### Full stack web application developer

I am a passionate web application developer, I have done several systems that are currently running, and links can be found in my portfolio. For my portfolio visit the link above. Thank you.

## Work experience

**March 2020 –Sept 2020**

### DENTAL CLINIC INFORMATION SYSTEM

I had been in Jamii dental clinic working as a system developer and dental assistant as I did more research about their operations for a period of 7 months till I was done with the system development. This was during the pandemic break.
