TO WHOM IT MAY CONCERN,

Dear Sir/Madam,

RE: INDUSTRIAL ATTACHMENT REQUEST

This is to request for industrial attachment which is expected to go for a period of three months starting from January 2022 to end of March 2022 which is meant to help me put my skills into practice.

I am a passionate full stack web developer who has done considerable web applications and systems whose links are in my CV too.

I believe your organization will provide a good setting for me to practice.

I look forward to your response. Thankyou.

Yours faithfully,

Washington Omondi
