Dear Sir/Madam,

**Re: Front End Software Engineer - Jumia**

Following my interest in the job that was posted on LinkedIn entitled Front End Software Engineer – Jumia, I hereby write to you this letter in request for the position. I evaluated myself considering the job requirement and found that I'm fit for the job.

I am a passionate full-stack developer who has done considerable web applications and systems whose links are in my CV too. I have a portfolio that's whose link can be found on my CV too.

I'll be very happy if I get the chance to work with you and I promise to be of great value to the company.

I look forward to your response. Thank you.

Yours faithfully,  
Washington Omondi
